Northeast India is known for its Seven (now Eight) Sisters States- Arunachal Pradesh, Manipur, Assam, Meghalaya, Mizoram, Nagaland, Tripura and the Himalayan state of Sikkim. It is basically located in the easternmost region, connected to east India via a narrow corridor squeezed between Bangladesh and Nepal. It is probably one of the most gorgeous, wondrous and naturally beautiful regions surrounded by greenery, hills, wildlife sanctuaries and magnificent water bodies. It looks like the fascinating land of the Northeast is blessed by Mother Nature as even a tiny stream here resembles picturesque.
